Once again, George Loizides worked his directorial magic on a group of seasoned and talented actors to bring out the distinct personalities in each juror. The reading was attended by an appreciative and enthusiastic audience, several who came as attendees and left as members of Playcrafters Theatre Company. Bravo to all!

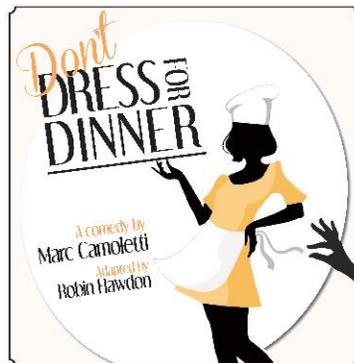

MARK YOUR CALENDARS FOR OCTOBER 2, 3, & 4 for OUR 2ND ANNUAL FUNDRAISER EVENT

Our first fundraiser Cabaret show last season was a huge success. It was well attended and we met our objective to purchase storage trailers. We have earned a fine reputation of presenting theater of the highest in quality and production standards; in order to maintain that reputation our fundraising efforts must continue. Our next goal is to be able to mount a musical theatre production. The funds collected through our 2015 Cabaret fundraiser will be used to make improvements to our sound system, monitors and communicators. We received a head start for the communicators through a generous donation from one of our loyal patrons, and hope to complete the budget through this fine cabaret performance.

The complete works of William Shakespeare 'abridged' is a three man show of everything and anything that Sir William Shakespeare has ever written in the course of about ninety minutes. This
