

## FALL/WINTER 2022

### A MESSAGE FROM THE BOARD OF DIRECTORS

We hope this holiday season finds you happy and healthy. We want to share the current status of Playcrafters.

We are so thankful to the Boys and Girls Club who has hosted us for the past 10 years allowing us to do 17 productions and 7 staged readings. Because of additional needs providing worthwhile programs to the youth of our community, we are no longer able to hold our shows in that space.

That leaves us here:

- We need an active working group to **help us relocate or empty and sell the trailers.**
- We need to **identify a new space** to hold full scale productions.

If you're reading this, YOU are the one who might have ideas to help us with the above.

At our annual membership meeting on February 19 we will discuss our options for the future. We encourage everyone to attend and look forward to socializing with you again. We will also be looking to schedule a winter clean out of the trailers.

For now we are moving forward with Radio Shows and Reader's Theaters. **Please submit ideas for a Reader's Theater or Evening of Comedy** to Kathy at [mrs11246@gmail.com](mailto:mrs11246@gmail.com).

If you have any ideas for new spaces to hold shows and/or want to join the space committee, please reach out to President Kathy Loizides at [mrs11246@gmail.com](mailto:mrs11246@gmail.com).

Sincerely, The Board of Playcrafters

– *Kathy, Jane, Vicki, Jean, Carl, Jim, Alice, Geri, and Jack.*

### SAVE THE DATE! Playcrafters' Annual Meeting

We hope you will make plans to join us for our annual meeting. Lots of important things to discuss this year. Here are the details:

**Sunday, February 19 - 2:00 to 5:00 p.m.**  
Hagerman Fire Department  
510 Oakdale Avenue, East Patchogue

Refreshments and snacks to be provided. BYOB.

## DON'T TOUCH THAT DIAL

September 4 we presented another incarnation of Playcrafters "Old Tyme Radio Show" at the Post-Morrow Preserve. It was a very well attended event and thanks to the generosity of our audience, we collected a quite a plentiful amount of non-perishable food products to be donated.

This year's offering also included two original works by Producer/Performer **Lisette Ruch** and Director/Performer **Laurie Atlas**. We hope that this is just the beginning of a trend of original works. Our production this year was greatly enhanced technically too.

With the blessing of the Playcrafters board, our troupe was able to purchase own own microphones and accessories. This will enable Playcrafters to record and produce all types of shows going forward. Thank you again to the board of directors.

We also would like to thank our collective of talented actors: **Laurie Atlas, Kevin Clyne, John Hannon, George Loizides, Elyzabeth Meade, Lisette Ruch, Lindsey Sanchez** and **Marianne Schmidt**.

We would also like to thank **Dennis Conroy** for his technical advice, **Flo Federman** for her beautiful graphic design, **Kathy Loizides** and the Playcrafters Board of Directors for all their support, and to **Jim Hazard** for his help at the Post-Morrow site plus his amazing construction skills.

We look forward to our next production and hope YOU will get involved, in front or behind the scenes.

## OUR MEMBERSHIP

Our annual meeting on February 19 is also our annual membership renewal meeting, when we ask our members to renew their membership and encourage non-members to become a part of our great organization. This is a fun opportunity to reconnect with old friends and make some new ones. Below is our current membership and member levels, along with a renewal/application form, which you can also find online, [HERE](#).

We hope to see you at our annual meeting. Please bring your renewal with you to the meeting. If you cannot attend our meeting in person, please complete the renewal form online or via mail, making sure you update changed or new information.

As always, thank you for your continued loyalty to Playcrafters Theatre Company.
